Monday 2nd November 2020

Dear Members

Covid Lockdown

Sadly this new Lockdown means that I am going to have to close the club again from Thursday 5th November until hopefully the 2nd December 2020.

This is a blow as we were going to have our RNLI Christmas Card and Calendar Sale on Thursday 12th November which I know many of you, like me were looking forward to.

You can still support the RNLI by getting your Cards from their online store at the following link:

<https://shop.rnli.org/collections/christmas-cards>

Di & Arthurs Quiz Night is also unfortunately cancelled and will be rearranged in due course.

At the moment our planned Speciality Christmas Menu will still be served in the Restaurant on Saturday 12th December more details in the December Update.

The Christmas Draw is still going ahead as planned, thank you to all those who have returned their tickets already – it's a great way to support the club and there are some super prizes to be had once again. Additional tickets are available just let us know if you would like some more.

Please keep an eye on the Website and our Facebook pages for the latest updates.

Thank you for your co-operation and support.

Peter Harris
Commodore
